ABOUT

# INSET

Innovation powers everything  
we do at **INSET Electric!**

What began as a vision to redefine electrical equipment distribution has become a cross-continental success story today. Inset has grown into a prominent electrical solution provider headquartered in the UAE with two strong arms — Inset Electricals Trading and Inset Switchgear Manufacturing.

We specialize in LV, ELV, switchgear, pneumatic, automation, and control products, catering to residential, commercial, industrial, manufacturing, and hospitality sectors. Our commitment to excellence, extensive inventory, and global authorised brand partnerships have positioned us as a trusted supplier for prestigious clients, including Dubai Airport, Sharjah Airport, DEWA, ADNOC, and Emaar. We also supply to switchgear manufacturing companies across the globe.
